## PROFILE

Experienced IT and Navy veteran learning and adopting the innovative blockchain technology space. Diverse background demonstrating leadership, innovation, and rapid adaptation in every field. Adept in multimedia content creation, technology, business and sales.

## EXPERIENCE

### **Site Superintendent, Integrated Commercial; Pittsboro, NC — 2022-Present**

Responsible for overseeing commercial construction projects, coordinating with general contractors, subcontractors, inspectors and investors to ensure timely and cost-effective completion of projects. Primary duties include providing subcontractors with all needed materials, ensuring work is completed to standard, and finalizing the space prior to final turnover. Reference: Michael Winn (919)434-3558, Owner.

### **Owner Operator, Northman Services; Austin, TX — 2017-2021**

Established a profitable contractor service specializing in tree removal and maintenance. Primary duties included new sales, tree climbing, haul-off and cleanup, equipment maintenance, updating records on *Quickbooks*, and local compliance (Note: extended to AL in 2021).

### **Hunting Sales Associate, Bass Pro Shops; Leeds, AL — 2020-2021**

Subject-matter expert in Bass Pro's hunting department, handling six-figure sales volume while ensuring proper background checks and filing of Form 4473. Reference: Austin Hicks (205)702-7500, Manager.

### **Sales Specialist, Cowboy Harley-Davidson; Austin, TX — 2016**

Subject-matter expert regarding Harley-Davidson motorcycles. Responsibilities include networking for new organic leads, educating prospective buyers on the benefits of each motorcycle, and seeing the sales process completed from start to finish. Also assumed responsibility for photographing used trade-ins for sale, filming and editing videos using *Adobe Premier* that highlight the bike's unique features. Reference: JR Woodman (210)722-4508.

## MILITARY

### **Information Systems Technician, U.S. Navy — 2013-2015**

Forward-deployed onboard USS Emory S. Land (AS-39). Served as an *Information Assurance Administrator*, securing 346 NIPR and SIPR assets using HBSS and SCCVI Retina Scans. Other roles included *System Administrator* and *Helpdesk Technician* for approximately 450 sailors, as well as *Training Petty Officer* for 20+ personnel providing IT-related training. While stationed on AS-39, my team and I upgraded the ship's network security standards to pass a scrutinizing 5-year INSURV inspection. Early separation from service *under honorable conditions* due to family hardship. Reference: Alex Merhl (352)257-1413.

## **EDUCATION**

**University of Nicosia; Cypress — MS Blockchain & Digital Currency, 2025**

**Benedictine College; Atchison, KS — BA Mass Communications, 2012**

## **CERTIFICATIONS**

**IT A-School; Pensacola, FL — CompTia A+ 2014**

**NASM Certified Personal Trainer — 2022**

**CPR/AED — 2022**
